POOL

*** COVID UPDATE *** **for Summer 2021**

The Outdoor Pool will be opening Saturday, May 29. Please refer to the **BLUE** insert for a schedule and instructions, along with important information about other areas of Avenbury Lakes that are now open.

VOLUNTEERING at Avenbury Lakes makes our community unique and quite different from other Homeowners Associations. When you volunteer, you are making connections which can help you expand your social network as well as improve life here at Avenbury Lakes. Check out the new **Volunteer Page** on the Avenbury Lakes website (avenburylakes.com – no password necessary) to find out how you can be involved and find a **volunteer application** (or you can use the insert included in this newsletter.) Completed forms need to be submitted to the Information Center by Tuesday, June 1. (Even if you are currently on a committee, we ask that you please fill out a form and submit it.)

HOLIDAY INFORMATION:

The Information Center and Lodge Administrator's Office will be **CLOSED** on Monday, May 31 in honor of Memorial Day.

Landscape News

~ Spring has emerged! We have been enjoying the spring flowers and flowering trees.

With the warmer weather, everything has come to life earlier than usual.

~ Our beds have been edged and it's time to think about amending the soil to replenish the nutrients your plants will need for good growth. There are many products that you can use that are organic in nature and safe for the environment.

~ May is the time to start planting or dividing perennials. It is usually safe to begin planting annuals in mid to late May.

~ Your sprinkler system timers should be set so watering is not done on lawn mowing days. Remember that during dry spells, our turf needs water. As stated in the Avenbury Rules and Regulations, **“During the growing season, each Owner/Occupant is responsible for adequately watering the lawn area on the Owner's lot or in the Common Area immediately adjacent to their Unit. Owner/Occupants are also encouraged to water adequately the cul-de-sacs across from the unit as conditions warrant.”**

~ A Landscape request form may be required prior to making some changes. Please refer to the Avenbury Rules and Regulations for information about specific instances. The Landscape Committee meets every second Wednesday morning of the month. Your approval time may be shortened if you submit it before our monthly meeting.

Enjoy the warmer days and wear those masks!

Book Club

The Avenbury Book Club will be meeting on May 6th at 10:30 AM by Zoom OR outside depending on the weather forecast. Each member will receive an email on May 1st with the information on how we will meet. If you are a new member who would like to join us, please email me at kathleenfvb@aol.com by May 2nd so I can send you a Zoom invite or outside meeting directions.

Our novel for May's discussion is **The Gown** by Jennifer Robson. The story begins in 1947 in London. Besieged by the harshest winter in living memory and by onerous shortages and rationing, the people of postwar Britain are enduring lives of quiet desperation despite WWII ending in victory. The overwhelming highlight of the year is the upcoming wedding of Princess Elizabeth and Prince Phillip. The story is a dual-timeline format, set in 1947 and present day. In 1947 we meet Ann Hughes and Miriam Dassin, embroiderers working for the famous fashion designer/couturier Norman Hartnell. Their expertise in embroidery leads to them being chosen to work on the wedding dress for Princess Elizabeth. In the present day Canada, we meet Heather Mackenzie who has been left some exquisite embroidered flowers by her grandmother who recently died. Curious about her grandmother's story, journalist Heather travels to London and begins to unravel the story of Ann and Miriam and discovers that the embroidered flowers match the designs on Princess Elizabeth's wedding dress. This book is ultimately about friendship, loyalty and the hope that the forthcoming marriage of their future queen brought to a nation.

“Using Your Noodle”

Using the pool for relaxing the mind and body.

We have just been through a very stressful year. It has taken an enormous toll on our minds and bodies. Your wonderful pool can serve as a therapy tool. Place a noodle under your knees and one behind your neck, lean backward, letting your feet float off the pool bottom until you are floating on your back. Relax your forehead and let your eyes close. Release any tension in your jaw and let your lips part softly. Relax your shoulder blades. Inhale deeply, and as you exhale, release any distracting thoughts and let the water rock away tension and stress. Repeat often, counting your blessings as you float.

Thinking of you,

Joan Kemper ~ Still Making Waves

COMMUNITY MANAGER UPDATES

- **UPDATES:** Remember to check the website (avenburylakes.com) for the latest news or call the Info Center (440-937-9441). All dates shown below are subject to change based on weather conditions and other factors.
- **INFORMATION CENTER:** We are back to regular Office hours for phone calls and emails. Residents can come into the Office by appointment. Masks are mandatory. Forms for Work Orders, Landscape and Architectural Modifications are available on the avenburylakes.com website and also can be submitted directly to the Office. Resident health and safety remain top priorities during the COVID-19 Pandemic and we appreciate your patience during this difficult time. 
- **GUTTER CLEANING:** Spring gutter cleaning for those on the gutter cleaning list, will begin in late May and continue into June. This service is weather dependent and occurs after tree blossoms have fallen, so dates are approximate. Please maintain 6' social distancing guidelines while work is in progress.
- **ROAD WORK:** Cunningham Paving will be crack filling in all areas of Avenbury Lakes including parking lots, asphalt roadways and driveways. They will also seal coat Langford Lane including parking areas and driveways. The TENTATIVE DATE for this work is early June. When specific dates are available, they will be posted to the website (avenburylakes.com) and all affected residents will be given flyers with important information regarding parking, time frames and other info. All work is weather dependent, so dates are subject to change. As always, information will be available by calling the Information Center (440-937-9441).
- **LANDSCAPE NEWS:** Mowing began in April and will continue through the fall. Days and streets may vary depending on weather conditions. Please do not use your irrigation systems 24 hours prior to a mow day if possible. The latest news will be posted to the website and residents can call the office with any questions.
- **MULCH:** As a reminder, no mulch will be applied this year. However, if a resident wants to apply mulch to the approximately 3' areas around their home, please use brown, double shredded hardwood mulch applied no more than 2" deep. Do not apply mulch around trees or any other common area.
- **IRRIGATION SYSTEMS:** If you use a contractor to turn on your irrigation system, please make sure they thoroughly check the entire system! We have had several instances where sprinkler heads were buried under the ground causing very wet turf areas leading to damage from lawn mowers. The contractor should also check your timer. Per Brightview, the best time to water is around 2 or 3 AM for about 10 minutes 3 days per week (based on a typical year's rainfall). Another possible addition to your system is a "Solar Sync". This device automatically turns your system on and off based on real time weather conditions rather than a standard timer schedule. In other words, your sprinklers will not come on while it is raining. This device will save you money on your water bill, paying for itself in no time.
- **ROOF REPLACEMENT PROJECT:** This year (Phase 5), 34 roofs will be replaced on Nottingham from 2017 Nottingham all the way to Middleton on both sides of the street. The TENTATIVE start date for this project is May 10, 2021. Homeowners will be given flyers with detailed information prior to the beginning of any work and a letter regarding dryer vent issues. Information will also be available on the website (avenburylakes.com) and by calling the Information Center (440-937-9441)..
- **LANDSCAPE BED REMINDER:** If you are re-doing your homeowner beds, please submit a Modification Form to the Landscape Committee if you are removing or adding a tree, removing more than 3 plants or have questions regarding the Approved Plant List.
- **POOL HOURS:** Please see the insert in this issue regarding the Outdoor Pool, Indoor Pool and Fitness Room days/hours and operations. The Outdoor Pool opens Saturday May 29, 2021.
- **IMPROVEMENTS:** The Arbor by the Bocce Ball court will have repairs done to the "ceiling" area beginning this month. The Flag Pole and Lodge Entry Sign lights have been replaced with efficient LEDs. Several dead trees will be removed this month. The fountain at the Lodge Parking Lot will have a different look to it as we are changing the nozzle to slow pond bank erosion and damage to bridge hardware.
- **PAYMENT FOR COUPON BOOK FEES:** Just a reminder that payment is due for the Maintenance Fee Coupon Books. The payment is tracked monthly and is documented on the Delinquency Report. If you DO NOT want a Coupon Book in 2022 thereby avoiding the payment, please contact the Information Center and one will not be printed for you.
- **REMINDERS:** Please **return your ballot** regarding the Bylaw language change about conducting elections, to the Information Center as soon as possible. Also, if you are **renting a parking space** at the RV Lot and your term has expired, please contact the Information Center (440-937-9441) to pay for an extension.

2021 Spring Property Clean-Up THANK YOU

I would like to send a heart-felt THANKS to the volunteers that helped with the Spring Property Clean-up (or planned on helping with the clean-up; 3 or 4 people on this list were not able to help due to conditions out of their control). There were 30 of your neighbors who stepped forward to help. They were broken down into 9 teams and covered every corner of our property. Their effort was amazing! The following is the list of all the people that assisted:

Donna Dugan, Linda Vencel, Carol Mills, Karen Duirk, Karen Kennedy, Mary Lou Kemp, Peg Sebastian, Bob Peter, Mary Jo Peter, Marty Wynne, Suzanne Butch, Mike Teichman, Phyllis Neidhardt, Jean Wynne, Mary Ann Hassel, Mary Lou Lefelar, Jeanne Moser, Margo Hirth, Ron Rochester, Sue Rochester, Mariana Carney, Louana Dickey, Jill Crawford, Hank Okuma, Norma Okuma, Jim Lally, Sharen Svec, Tish Hopkins, Bob Kennedy, and Barry Himebauch

Below are the current Mission Statements of the five ALHOA Standing Committees:

ARCHITECTURAL COMMITTEE

To establish and submit to the Board of Directors recommendations and suggested standards pertaining to home architecture to ensure the safety and security of the home owners and their guests while still providing choices for owner selection. The intent of the standards is to ensure the marketability and value of all homes. No Home Owner is permitted to add to or modify the existing home structure in any manner not in conformance with the Avenbury Lakes Architectural Rules & Regulations and Standards without a recommendation by the Architectural Committee to the Board of Directors and written approval by the Board of Directors.

BUILDINGS & GROUNDS COMMITTEE

The committee serves as a cost effective resource to assist the Avenbury Lakes Home Owners Association Board and Property Manager in maintaining the common buildings and grounds throughout our community. The committee (acting in an advisory capacity) monitors, evaluates and where possible performs minor repairs on elements of the common buildings and grounds owned by the Association. This includes the Lodge and Business Office, indoor & outdoor pools, lakes, wetlands, roost & gazebo, wood bridges & walkways, docks, boats, tennis court, asphalt streets, RV/garden and landscape areas.

COMMUNITY FUND COMMITTEE

The Avenbury Lakes Community Fund was established as a way to show appreciation for a favor done, to celebrate a special event, or as a memorial remembrance of neighbors, friends and family members. Monetary donations of any size may be sent to the Avenbury Lakes Community Fund, 2122 Southampton Lane, Avon, OH 44011. An acknowledgement will be sent to the person being honored or to the family of the person being remembered as well as the donor. While these gifts are not tax deductible, they serve as kind expressions of gratitude and recognition and will help provide special enhancements to our community.

LANDSCAPE COMMITTEE

The mission of the Landscape Committee is to help preserve, maintain and enhance the original natural, Prairie Design and overall landscaping look of Avenbury Lakes. No Home Owner or Occupant is permitted to modify, decorate, landscape or adorn any area, in any manner not in conformance with the Avenbury Lakes Landscaping Rules and Regulations without a recommendation by the Landscape Committee to the Board of Directors and written approval by the Board of Directors.

SOCIAL COMMITTEE

The Avenbury Lakes Social Committee will oversee the development and execution of various social activities for Avenbury Lakes Residents under the direction of the Avenbury Lakes Board of Directors. Working closely with the Activities Coordinator, the Committee will plan various get-togethers for the enjoyment of the Avenbury Lakes Residents, recruit residents to direct and support the activities and see that all activities are conducted in a fiscally responsible manner. The Committee will be open to input from all residents and attempt to provide an agenda of many different types of get-togethers for residents.

Board approved: 8/2/2019

STANDING COMMITTEE /VOLUNTEER GROUP /APPLICATION FORM

The ALHOA Board of Directors is accepting applications from residents wishing to serve on any one of five Standing Committees. Please indicate which Committee you would be willing to serve on.
