ELECTION RESULTS

Congratulations to Phyllis Neidhardt and Bob Kennedy on being elected to serve for the next three years on our HOA Board of Directors! A very gratifying total of 71.3% of our association members participated in the election this year; four members failed to complete the verifying information on the plain white envelope so, unfortunately, their votes did not count. Our sincere thanks to Tish Hopkins, Jeff Kristofeld, and Peg Sebastian for serving as the Election Results Committee. The Committee opened all the envelopes, confirmed no more than one vote per residence, and recorded the count. Then, attorney Nicholas Meinert of Kaman & Cusimano LLC met with the Committee chair, the

Board, the candidates, and our Community Manager to verify the Committee's report and officially announce the election results. Our appreciation goes out to all the candidates for offering their time and talent to serve our community in this important effort.

Happy Mother's day

Monday Morning Bible Study

Avenbury Bible Study is beginning TRUTHFILLED, by Ruth Chou Simon, a study of Paul's Letter to the Colossians that focuses on embracing Him as we face the trials and challenges in the seasons of our lives. We meet **Mondays** from **10:30 – 11:45** at Providence Church, across the street from Avenbury Lakes. Please contact Marilyn Jacobcik at jacobmar2001@yahoo.com or **440-937-5027** with questions or if you would like to give us a try. New members of any denomination are always welcome.

Book Club

The Avenbury Book Club will meet at the Lodge on **May 5th** from **10:30 am to 12 noon** to discuss the novel Lady Clementine by Marie Benedict. Lady Clementine is the story of the ambitious woman, wife, and mother who shared her life with Winston Churchill. Clementine Churchill was truly her husband's partner who did not flinch through the sweeping darkness of World War II, who would not surrender to others expectations, and who did not give in to fear of enemies both domestic and abroad. We welcome new members to come join the discussion.

Calling ALL "Artists of Avenbury"

A vision was started before the Pandemic began to showcase the work of artists in our community at the Lodge. There will be an organizational meeting to establish a committee to bring this vision to fruition.

Save the Date — Friday, May 6 @ 11:00 am at the Lodge

If you are an artist or just looking for a way to help and give back to our community, bring your ideas and talents to the meeting. If you have any questions or if you are interested but cannot be there on May 6th, please contact **Tish Hopkins @ 440-315-0423**.

Quilt Club

The Avenbury Lakes Quilt Club will meet on **Thursday, May 19**, at **1:00 PM** in the Lodge. For the last two months the group has been making pillowcases for the children at Blessing House in Lorain, as well as Scent Hearts/Bonding Hearts for parents and babies in the NICU at Fairview Hospital. The donations of quilting cotton from Avenbury residents are greatly appreciated. Come join us and share your ideas — we are always looking for new members. If you would like more information, please call **Mary Jo Peter** or **Jean Wynne**.

VOLUNTEERS NEEDED for SETTING UP Pool Deck

We just celebrated Easter and Passover, that must mean the summer cannot be far behind. Each May a group of your neighbors get together to clean off and set-up the tables, chairs, & umbrellas on the Pool Deck for our summertime enjoyment. **Tuesday, May 24th @ 10:00 am** we will do the cleaning and setting-up of the pool deck tables, chairs, & umbrellas. **Please sign up to help us with this project.** I will have Patty put a sign-up page in the Activity Book in the Lodge. Thanks in advance for volunteering.

Bob Kennedy – Chairman, Buildings and Grounds Committee

Golf League

We would like to extend a personal invitation to you to join our Avenbury Lakes Golf League this year. Our league is open to *both* women and men. Barring weather, we golf every **Monday @ 9:15 am** from **May 2 to September 26** at **Bob-O-Links Golf Course**, located South of Avon on Route 83. Our skill levels are varied, and we enjoy the game and the camaraderie. If you have an interest in joining us, please do! Our league dues are **\$15** which covers the year-end golf scramble. Please sign up in the Activity Book and pay at the Lodge. If paying in **CASH**, please use an envelope and write *your name & "Golf League"* on the front. If paying with a **CHECK**, please write *"Golf League"* in the memo section. **Hope to see you on the links!**
Co-Chairs: Bill Leaser and Ron Rochester

Pickleball classes starting in mid-May

We have about 25 pickleball players who live here and we would like to get more neighbors playing this year! Currently we have three different groups of players: Ladies, Beginners, and Intermediate.

Pickleball is a fun sport that is well suited for our age group. Some of our residents in their eighties are playing (and playing very well). We have two courts here that use the tennis court. We always play doubles (less ground to cover!). Paddles and balls are provided for use by residents.

If you would like to learn to play, we'll be offering classes at no charge for new players starting **in mid-May**. And if there is enough interest we will also offer some refresher classes for those residents who just started playing recently or who haven't been playing recently. Use the sign up sheet in the Avenbury Activities Book on the counter at the Lodge. Dates and times of classes will be determined with consideration of the preferences of those taking the classes. We look forward to seeing more neighbors playing pickleball!!!

We are going to put new grips on our current paddles and need any paddles that were borrowed by residents to be returned to the storage cabinet ASAP. Thank you!

Landscape Committee News

- ◆ **We made it!!!!** It is one of the best times of the year. Plants are starting to emerge and show their beautiful faces. It is time to pick your annuals and visit the garden centers to get ideas of color and structure. Now is the time to observe your perennials that are poking their head through the cold earth. We need to give them the granular long-lasting fertilizer that will feed them through the summer as we water. Please check all for disease and the emerging bugs that will use these as host plants to feed themselves. They are doing well and just a little boost from you is all they need.
- ◆ **Annuals** are the king and queen of the summer months. They will provide you with a punch of color you need. If you have prepared your beds early on with a long term fertilizer there is no need to add more when you plant your annuals. As we have discussed so often in the past, bed preparation is so important to the health and well-being of your garden. Too much nitrogen too soon and too often promotes excessive tender growth which attracts pests especially aphids.
- ◆ That brings us to why we need to be careful at this time and not get over zealous about getting the plants into the soil. Planting of annuals, in our region, should not start until after **May 15**, when all danger of frost has passed and the soil has had a chance to warm.
- ◆ Another mistake we all make is planting in the **wrong spot**. We need to examine the site we have chosen for sun exposure and soil conditions. Make sure you read all tags that tell you the amount of light a plant should get and the type of soil it should be planted in.
- ◆ Next, make sure that plants are grouped in **odd numbers**. Avoid planting in straight lines. That will add a natural look to your beds.
- ◆ Be careful of the **color palette**. Choose colors that stand out against the backdrop of your house. Light colored flowers in front of a dark house and dark colors in front of a lighter colored house.
- ◆ Do not leave **open gaps** of soil. These areas are an invite to weed growth, plus it looks unfinished.
- ◆ Lastly create a plan and seek advice where needed. With your cell phone handy take a picture of the area you want to plant and take it to the garden center for advice. You do not have to be a landscape architect to have a beautiful yard. Use your imagination and ask the people in the know. *Have a great planting month and stay safe and well.*

Community Resource Services of Avon/Avon Lake

Feeding the Community

CRS is a community-based network that assesses needs, provides assistance and connects resources for Avon and Avon Lake residents. Their mission is to diminish the effects of poverty. This last year has highlighted how many live paycheck to paycheck where one financial emergency can be devastating. We, residents of Avenbury Lakes, have been contributing to their food pantry for many years and have also participated in special holiday drives, all sponsored by the Ladies of the Lake. The donation box is located in our **Library**, emptied weekly and delivered to the CRS office. Please look for the donation box in the library and contribute what you can. Take notice of the **special recognition** given to the **Avenbury Ladies of the Lake!!** Needs at this time include all paper goods (tissues, paper towels, toilet paper). Peanut butter, jelly, jam, soups, canned meat, condiments, spices, flour, sugar, etc. are always welcome. Thank You! Please contact **Donna Peters** at **937-9918** with any questions.

COMMUNITY MANAGER UPDATES

- ◆ **UPDATES:** Remember to check the website (avenburylakes.com) for the latest news including Pool Openings and Closings or call the Info Center (440-937-9441). ***All dates shown below are subject to change based on weather conditions and other factors.***
- ◆ **INFORMATION CENTER:** We are back to regular Office hours (9AM-2PM, M-F) for phone calls, emails and walk-ins. Masks are optional. Forms for Work Orders, Landscape and Architectural Modifications are available on the avenburylakes.com website or can be submitted directly to the Office.
- ◆ **GUTTER CLEANING:** Spring gutter cleaning, for those on the gutter cleaning list, will begin in late May and continue into June. This service is weather dependent and occurs after tree blossoms and helicopter seeds have fallen, so dates are approximate.
- ◆ **ROAD WORK:** Cunningham Paving will be crack filling in all areas of Avenbury Lakes including parking lots, asphalt roadways, driveways, and walking paths. They will also seal coat Worthington and a previous repair made on Halifax, repair failed asphalt on Roxbury, Montague, the Lodge Parking Lot and part of Manchester. 6 catch basins will be replaced on Hathaway, Roxbury, Montague, Langford and the Lodge Parking Lot. When specific work dates are available, they will be posted to the website (avenburylakes.com) and all affected residents will be given flyers with important information regarding parking, time frames and other info. All work is weather dependent, so dates are subject to change, however, work is likely to begin the second week of May. As always, information will be available by calling the **Information Center (440-937-9441)**.
- ◆ **LANDSCAPE NEWS:** Mowing began in late April and will continue through the fall. Days and streets may vary depending on weather conditions, but the Gantt Chart included in this issue of the Breeze can be used as a general guide to Landscape activities. ***Please do not use your irrigation systems 24 hours prior to a mow day if possible.*** The latest news will be posted to the website and residents can call the office with any questions.
- ◆ **MULCH:** Installation began in April and should be completed this month, weather dependent.
- ◆ **IRRIGATION SYSTEMS:** If you use a contractor to turn on your irrigation system, please make sure they thoroughly check the entire system! We have had several instances where sprinkler heads were buried under the ground causing very wet turf areas leading to damage from lawn mowers. The contractor should also check your timer. ***Per Brightview, the best time to water is around 2 AM or 3 AM for about 10 minutes 3 days per week*** (based on a typical year's rainfall).
- ◆ **ROOF REPLACEMENT PROJECT:** This year (Phase 6), 48 roofs will be replaced including, addresses 2002-2016 on Nottingham and all of Buckingham. The **TENTATIVE** start date for this project is early **May 2022**. Homeowners will be given flyers with detailed information prior to the beginning of any work and a letter regarding dryer vent issues. Information will also be available on the website (avenburylakes.com) and by calling the **Information Center (440-937-9441)**.
- ◆ **LANDSCAPE BED REMINDER:** If you are re-doing your homeowner beds, please ***submit a Modification Form to the Landscape Committee*** if you are removing or adding a tree, removing more than 3 plants or have questions regarding the Approved Plant List.
- ◆ **REMINDERS:** If you are renting a parking space at the RV Lot and your term has expired, please contact the **Information Center (440-937-9441)** to pay for an extension. License plates must be current for all vehicles in RV Lot parking spaces.

Lenny Evans, Avenbury Lakes Maintenance Technician, has left his position here as of April 21, 2022. We thank him for his many years of service and wish him well in his future endeavors.

A sincere **“THANK YOU”** to **Linda Vencel** for donating the military casket flags she received in honor of service to our country by her father Frank and her brother Gerald. Residents who may wish to donate a casket flag may deliver them to the **Information Center, Mon - Friday 9 AM to 2 PM.**
