WANTED

A FEW GOOD STRONG PEOPLE!

The Social Committee is in need of people who would be willing to volunteer to help set up the tables and chairs for our various social events during the year. We would like to develop a list of people we could call upon for help if needed. The chairman of the event would contact you prior to the event to check your availability for the event date. The set up is usually done on a Saturday at 10:30 AM and would take about 45 minutes of your time. You do not have to attend the event, we are just asking for your help.

If you are interested or have any questions, please contact Mary Lou McMahon at 440-937-6423.

Thank you,
Mary Lou McMahon
Social Committee Chair

Book Club

The Avenbury Book Club will meet at the Lodge on **June 2nd from 10:30 AM to 12 noon** to discuss the novel The Guest List by Lucy Foley. You are invited to a wedding on a remote island off the coast of Ireland. There is a lovely bride and a handsome groom, good music for dancing, tasty food, and an open bar. How delightful. But beware. Walk right and you fall from a cliff, walk left and you drown in quicksand. Try swimming and you're caught in riptides. And what about the body buried in the bog? Join us for a discussion of mystery and murder. New members are always welcome.

Landscape News

Well it seems that summer is finally here. It is now safe to plant our annuals. The garden centers have many beautiful annuals, perennials and vegetable plants. For best results, read the tag for each plant variety to make sure it is planted with the correct amount of sun or shade.

These are the steps you should follow for a landscape modification:

- ◆ If you plan to replace 3 or more shrubs or remove or plant a tree, you must submit a Landscape Modification Form.
- ◆ Submit a drawing of the layout and exactly what plants and how many would be planted with the Landscape Modification Form.
- ◆ Submit the name of the Landscaper.
- ◆ Make sure that all plants are on the Avenbury Approved Plant List.
- ◆ You must have an approval from the Landscape Committee before any work can be done.
- ◆ Please allow 4-6 weeks for your request to be approved.

Happy Planting! Enjoy the nice weather!

.....

To All Residents:

The Landscape Committee would like to invite residents to the Lodge Library on **Thursday June 9th from 1-3 PM**, for a Question and Answer Session. We would like to help you understand what needs to be done to get your landscaping accomplished. Members of the LC will be available to answer your questions. We hope to be meeting with you periodically during the growing months, but as always, give us a call at anytime to ask your questions.

Thank you so much, Maurine Mescan, Chairperson Landscape Committee

Calling All Pickleball Players!

Finally the weather is good for playing pickleball outside! We have several options for those who want play and also for those who wish to learn how to play.

~ The more *experienced* players play every **Wednesday & Saturday @ 10 am** but also usually play several other mornings each week. When it gets hotter we start playing around 9 am. Call **Jim Lally** for information about this group.

~ There is also a group of *newer* players that play late afternoons. Contact **Claire Chase** for their schedule which has not been finalized yet.

~ For Avenbury residents who want to learn, there are *beginner* classes every **Tuesday @ 9 am**. This class is for beginners and players who have roughly played less than 5 or 6 times. Additionally, there will be a *"refresher"* class for players who haven't played for awhile or players who want to practice basic shots and positioning. This group meets on **Thursdays @ 1 pm**. Contact **Bob Peter** for more information about these classes.

Monday Morning Bible Study

Avenbury Bible Study is studying TRUTHFILLED by Ruth Chou Simons, a study of Colossians. The class has a workbook with some homework, complemented by discussion at our weekly sessions. We meet **Mondays at 10:30 - 11:45 AM** at Providence Church, across the street on Detroit. We will complete this study by the end of June and take a summer break. During July and August, we may meet periodically for informal sessions. Please let **Marilyn Jacobcik** know if you have questions or would like to give us a try. Call **440-937-5027** or email Jacobmar2001@yahoo.com.

COMMUNITY MANAGER UPDATES

- ◆ Please say hello to **Max Gorman**, our summer painter! Max is a student at Bowling Green State University majoring in psychology.
- ◆ **Trespassers:** If you see unauthorized people on the property, for example in the Wetlands or fishing at the pond, please contact the Information Center and report it immediately. On evenings and weekends, contact the Avon Police Department (**440-934-1234**). They will send an officer out & check ID's. They get a warning the first time and their name is placed on a list. Tickets are issued for repeat offenses.
- ◆ **Cambria Suites:** If you are hosting summer or Holiday visitors, remember that Cambria offers a 10% discount for Avenbury Lakes residents and their visitors. Make sure you mention Avenbury when making reservations (**440-695-1270**). There is also a link on the avenburylakes.com website.
- ◆ **Brightview News:** Mowing is continuing weekly. Feel free to call the Info Center with any questions or complaints. Remember the schedule is subject to change based on the weather. Fertilization, grub treatment, and weed control products including for thistle, were applied in May. Another thistle application will be applied this month and the pruning of new plant growth will also begin. Reclamation work continues on the Pond banks per the plan devised with Doug Baldi, Landscape Architect. Other areas will receive enhancements and re-seeding as needed. **Please note:** *After the grub treatment has been applied, it needs to be watered in for maximum effectiveness.*
- ◆ **Roof Replacements:** Final Touch, our roofing contractor, began replacements in May on the Nottingham circle. Once this area is complete, replacements will continue through the summer on Buckingham. Residents affected will receive flyers and letters with specific instructions the week before work begins. Please stay away from work areas while the crews are on the property. Updates will be posted to the website and residents can call the Info Center with any questions.
- ◆ **Street Work:** Cunningham Paving will do crack filling on all asphalt surfaces this month and seal coat Worthington and a repair from last year on Halifax. We will contact those effected when a specific date has been set.
- ◆ **Other work:** Aqua Doc is treating the ponds weekly for algae growth and clearing inlet and outlet pipes.
- ◆ **Maintenance Forms** or **complaints** should be in writing and either sent via email or left in the door at the Info Center.
- ◆ Please see the **Volunteer Form** included in this issue of the Breeze. If you would like to join a committee, continue to serve on a committee or no longer serve on a committee, return the form to the Information Center by **June 15, 2022**. A new list of Committee Volunteers will be published in the July Breeze. Thank you for your participation!!
- ◆ **Outdoor Pool:** If you plan to bring guests to the pool this summer, remember to **buy your Guest Passes** from Patty at the Lodge **prior** to using the pool. Passes are available as a card of 11 visits for \$20. If you would like to purchase fewer than 11, it is \$2 per guest/per visit. Please have exact change.
- ◆ For the latest news including daily **outdoor pool openings and closings**, always check the avenburylakes.com website or call the **Information Center at 440-937-9441**.

Don't Pay More in Medicare Premiums

Did you know that upon reaching 65, while Medicare substantially lowers your health insurance cost, it can go up, based off your income? Annual earnings of just \$0.01 over an IRMAA bracket could mean a 40% higher Part B premium.

1. Are you 65 or older and have health insurance provided by Medicare?
2. Is your income above \$91,000 single or \$182,000 joint?
3. Do you make cash contributions to charities?

If your answer is "Yes" to the above questions, there may be a way for you to give to your favorite charities and also pay less in health insurance costs.

Call us today to schedule your complimentary consultation to learn more about how you may benefit from a Qualified Charitable Distribution!
