**SELLERS:** If you are interested in selling your arts or crafts, please **sign up** in the Activity Book at the

Lodge. There is **NO CHARGE** to reserve a table, but space is limited.

**SHOPPERS:** We will have a great selection of jewelry, quilts, artwork, photography, fabric crafts, handmade cards, woodworking crafts, bakery, dog items, and other goods for sale.

You will also be able to purchase a brick for the Avenbury Lakes Paver Garden. Please come out and support your Avenbury Lakes friends and get some of your Holiday shopping

out of the way! **This event is NOT open to the public, but residents and their guests are welcome.** Questions? Call

Patty Hales, Lodge Administrator, at 440-937-9387.

**HELP  
WANTED**

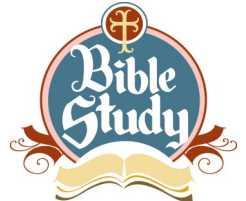

# Sit. Walk Around. Lock Up. Leave.

If you can do this we need your help. Become a Lodge Monitor. It's just one evening a month of your time. And it's as easy as turning off lights and fans and locking some doors.

Call Donna Dugan (440-785-8051) or Russ Hirth (440-225-3252) for more information.

## Bible Study

The Avenbury Bible Study meets every **Monday from 10:30 - 11:45 at Providence Church**, located on Detroit Rd. just across the street. Our current study is on the Attributes of God, using a study guide and lots of discussion. Please contact **Marilyn Jacobcik** at 440-937-5027 or [jacobmar2001@yahoo.com](mailto:jacobmar2001@yahoo.com) if you are interested in joining or just have questions. We welcome members of any denomination.

## Book Club

The Avenbury Book Club will meet at the Lodge on **October 6th from 10:30 to 12 noon** to discuss the novel Eight Perfect Murders by Peter Swanson. Years ago, bookseller and mystery fan Malcolm Kershaw compiled a list of eight classic mystery novels' most unsolvable murders which he titled Eight Perfect Murders. No one is more surprised than Mal, now the owner of a bookstore in Boston, when an FBI agent comes knocking on his door looking for information about a series of unsolved murders that look eerily similar to the killings on Mal's old list. There is a killer out there who watches Mal's every move and knows all his secrets. Is he next? On **November 3** we will discuss the book The Other Einstein by Marie Benedict. The Book Club has put a binder in the Lodge library that contains information on books we will discuss in 2023. Take a look. We always welcome new members.

## NEWS FOR MOVIE FANS!

### MOVIE NIGHT MAY BE COMING BACK TO AVENBURY!

(with a little help from our friends)

In the winter of 2017, a group of eleven enthusiastic movie fans from Avenbury began planning our local **MOVIE NIGHTS**. On Sunday evenings in January, February, March and April 2017 and 2018, we showed movies at the Lodge, using a license paid for by our Community Fund. We continued to show 4 movies in 2019, and 3 in 2020, and they were very popular. Then.....the villain COVID intervened! In April of 2020, the Lodge had to close due to Covid, and sadly since then there have been no **MOVIE NIGHTS**.

The Avenbury Board and a number of residents have shown interest in reviving Sunday Night at the movies, but as we all know, Covid and time have changed our lives in the past two years. The original committee, including chairs Marianna Carney and Ruth Skillicorn, need some help. If we are to return to the fun of **MOVIE NIGHTS**, we need some **NEW** movie fans for a new Committee. Please call **Marianna Carney (440-865-5262)** or **Ruth Skillicorn (440-610-7224)** to let us know of your interest. We will then set up a meeting at the Lodge, where Marianna & Ruth will explain how the Committee works, and share information needed to carry forward.

We look forward to meeting with you and to passing on this fun event to Avenbury residents! Help us bring back the fun of **MOVIE NIGHTS!!!**

## Community Manager Report

**Roof Update:** Phase 6 of the Roof Replacement Project has been completed. This year 40 addresses were completed on Nottingham and Buckingham. If anyone has any problems with the roof or roof related items in the future, please **contact the Information Center**. Final Touch will repair any damage to turf areas.

**Community Walk:** Contractors and AL staff will continue to follow up with repairs and other items identified from the Community Walk. Please remove any items placed in Common Areas. Also, as a reminder, if you are changing something on the exterior of your home, you may need approval from the Architectural Committee **BEFORE** the work takes place. This includes satellite dishes, exterior lights, security cameras, solar tubes, generators, window well covers, step and porch handrails, storm and primary door replacements, garage door replacements, window replacements and other items. Forms are available online and at the Information Center. **Call us if you need clarification.** Failure to get prior approval may mean that the item must be removed, and repairs made at the homeowner's expense.

**Flag Policy:** As a reminder, the **Rules and Regulations, page 25, #10 under Exterior Modifications**, states that 1 United States of America Flag (not to exceed 3x5) is permitted to be displayed on a pole with bracket attached to the front exterior of the home. Please do not display other non-approved flags.

**Energy Audits:** If you are considering installing new windows, air conditioner, furnace or hot water tank, consider having an Energy Audit done first! Available through **Columbia Gas (call 877-644-6674)** for \$50, you will have an extensive in-home review of your home's energy performance, receive free products, tests and referrals to insulation programs and appliance rebates. Some may receive free services worth thousands of dollars depending on household income.

**Contact Information:** If you have changes to your Contact Information such as a new phone number, email address or Emergency Contact, please let us know at the **Information Center**. This information is helpful when we need to reach you and for the email blasts.

**Brightview:** Fall clean up begins this month and will continue till the end of the year, including leaf removal when the leaves fall. Mowing will continue through the month. Irrigation systems should be turned off now. Pruning will continue until **all** areas have been addressed.

**Pond Banks:** Work will continue on pond banks through the month. There will be one more thistle application and basin trimming. If the weather cooperates, the banks will be cut down for the season in late November.

**Sale of Homes:** If you are selling your home, please review "**Section N. Sale of Units**" in the **Rules and Regulations Handbook**. This section will answer most questions for Sellers and Real Estate Agents listing a home. Also, if you would like to post to the **Homes For Sale** section of the Avenbury Lakes website, please let us know at the Information Center. This is a free service for residents and generates a lot of buyer interest. You will need to turn in your Lodge swipe card at the Information Center if you have sold your home.

**Dock Handrails:** Handrails will be constructed this month on the North Pond Dock. The area can then be safely used for fishing or relaxing.

**Computer Changes:** Lawrence Management is switching to a new computer database system called Vantaca. In the coming months, we will provide you with more information about how to access the system, giving you more direct information about your account and maintenance requests. **Stay tuned!!**

**\*Coupon Books: *If you want to continue to use a coupon book in 2023, please call Lawrence Management at 440-937-2800, option #2 and request one.***  
**Coupon Books will cost you \$15. Call prior to November 20, 2022**

## Volunteers Needed for Closing Outdoor Pool Deck

We have enjoyed a great summer on the Outdoor Pool Deck. It is not over yet, even though the Outdoor Pool is closed. The Pool Deck will remain open for use through **Friday, October 21**. After that, a group of neighbors will get together to store the tables, chairs and umbrellas for the winter.

I am targeting **Tuesday, October 25th @ 10:00 AM** as the day that we will do the closing of the Outdoor Pool Deck. Please sign up in the Activity Book at the Lodge to help us with this project. Thanks in advance for volunteering.

## Landscape Committee News

It's hard to believe that October is already here. Try to get out and enjoy some of the beautiful colors and cooler fall temperatures!

Thank you to those residents who attended the Q & A Landscape meetings. Hopefully some of your questions were answered.

There is still time in October to plant spring flowering bulbs. Daffodils and hyacinths do well in Avenbury. The rule of thumb is to plant bulbs in odd numbered clusters, approximately 3 times deeper than the height of the bulb with a little bone meal or slow acting fertilizer in the bottom of the hole. Water them well and enjoy the beautiful flowers in the spring!

It has been brought to our attention that some of our red oak trees have fuzzy orange balls growing on the leaves. You will be happy to know they are not harming the tree. They are actually leaf tissue stimulated by the grub of the **Callirhytis Furva Wasp** to feed and protect itself as it matures into a very tiny, non-threatening adult wasp. It takes an entire year for the process to complete so the galls generally appear only every other year. They are common in northeast Ohio and there's an interesting video about them on YouTube.com "**Trouble with Tribbles**" by **Dr. Joel Duff**, a Professor of Biology at the University of Akron.

Once again, if there is anything the Landscape Committee can help you with please let us know.

## The Biggest Risk to Retirement Income

For current retirees and those nearing retirement, healthcare costs are expected to pose the single greatest risk to income in retirement. When custodial care is factored into the healthcare equation, costs can quickly skyrocket well above average projections. When planning for your healthcare needs in retirement, it's important to keep in mind that Medicare, Medicare supplement plans, and private medical insurance don't cover long-term in-home maintenance or nursing care.

### How Can You Plan Ahead?

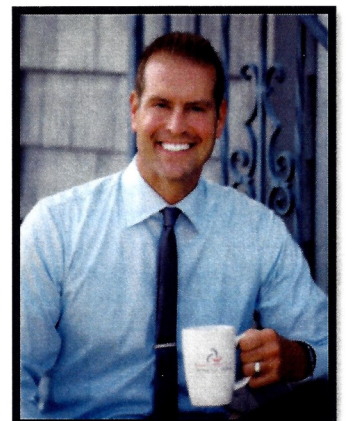

Long-term care (LTC) insurance was developed to fill this void and help retirees manage the impact of rising healthcare costs. The right policy and coverage can help protect the income you and your spouse rely upon in retirement to maintain your lifestyle and choose the type of care you prefer—when and if you need it. If you're considering long-term care insurance, now is the time to learn more. Typically, the younger you are when you purchase the policy, the lower the monthly premium.

**If you're wondering whether long-term care insurance or another strategy may be right for you, reach out today. We'll talk about the different alternatives available to help you prevent a lifetime of assets from falling short when you need them most.**
