## Community Manager Report

- **Outdoor Pool:** The last day of the 2023 Outdoor Pool season is **Labor Day, September 4th**. We hope you and your guests enjoyed the pool this year! **THANK YOU** to the Board of Directors, Patty Hales, the Brightview crew and the Hastings Lifeguards for a safe and successful year!!! **REMEMBER, YOU CAN STILL USE THE OUTDOOR POOL DECK FOR LOUNGING (NO SWIMMING) UNTIL FRIDAY, OCTOBER 20th.**

- **Brightview:** Mowing continues. The pruning of new growth is taking place on shrubs in common and homeowner areas. Leaf cleanup will begin when leaves have fallen later in the year. Work will continue around the pond banks including cutting grasses and other plant materials and re-seeding selected areas as weather conditions permit. The third fertilization which includes crab grass and grub control, will occur in early September. If you are interested in aeration for turf areas around your home, please see the Flyer in this issue of the Breeze from Brightview.

- **Poison Ivy:** Please be aware of the three-leaf ivy that grows on the ground & climbs up the trees when you are walking in natural areas. Poison Ivy turns red in the fall, a good warning to leave it alone!!!
- **Mailboxes:** Please note, new mailbox posts will be painted next year. The treated wood must cure for at least 6 months prior to painting.
- **For Sale:** If you are selling your home, please contact the **Information Center** at **440-937-9441** and **Lawrence Community Management Group** at **440-937-2800**. You'll need to return your swipe card for the Lodge to the Info Center and LCMG can discuss any payment issues regarding your account.
- **Exterior Painting:** Patton Painting will complete the 3 North Pond Bridges and the T Bridge in the Wetlands this month. The next project will be the Springhouse at the corner of Shakespeare and Detroit. There is always something to do on the property, but these projects make a big visual impact!
- **Property Inspections:** LCMG Staff will be conducting Property Inspections on homes south of Middleton this year. If any Rule violations are found, Homeowners will be sent a letter requesting the violation be resolved as soon as possible. This is another way Avenbury Lakes maintains a top-quality HOA.

## Landscape Committee News

Summer is winding down and autumn is almost here. Some annuals are still beautiful with cooler temperatures. Make note of what did well in your beds and think about replanting them next spring.

The garden centers have many beautiful fall flowers and perennials on display now. This is a great time to plant new perennials as the cool weather allows them to establish themselves before winter. It is also a good time to divide clumps of existing perennials. It's easier to divide them if you cut the stems to the ground. Transplanting them into healthy soil that has been enriched with organic matter will allow them to thrive next year. This also helps to break up our clay packed soil. Planting spring blooming bulbs can be done in September or October.

Enjoy the rest of our nice weather. If the Landscape Committee can help in any way, don't hesitate to call the office or submit a landscape request.

In addition to sponsoring Summer Concerts, the Community Fund is happy to announce that Bob Kennedy has offered to do Hot Dog Cookouts **one hour prior to the start** of each of the concerts. Proceeds from the sale of Hot Dogs and Chips will benefit the Community Fund.

Bob will be cooking Premium All Beef Hot Dogs that will be served on a bun with available condiments of your choice. Also available for purchase will be 2 oz. bags of Frito Lays Classic Variety Chips. **Hot Dogs - \$3.00 Chips - \$1.00**

Come to the pool **an hour before the concert** to enjoy the cookout and get a great seat for these **FREE** Concerts sponsored by the Community Fund. Our last concert for the Summer is:

**September 11 – Chad Hoffman – Doors open at 5:30 pm**

Don and I want to say a fond farewell to Avenbury Lakes. 19 years ago we moved to Avenbury and immediately felt at home and surrounded by new friends in our beautiful community. We are moving to The Normandy independent living in Rocky River, also beautiful. We are doing this proactively, while we both are healthy. Moving is hard but we will enjoy our new home, add new friends, keep old friends, and know that if our health changes we will be taken care of in assisted living.

So, come see us at 22701 Lake Rd.
