

A Social Committee Announcement

Many thanks to the Avenbury residents who filled out our Social Events Survey and those who signed up to work on our 2025 social events! Your active participation and valuable input have been instrumental in shaping our 2025 Social Calendar, included in the January Breeze.

The Avenbury 2025 Social Calendar has various events to pique your interest in attending! The Avenbury favorite ***Souper Soup Night** will kick off the New Year in January, with residents sharing family favorites and new soup recipes. Live entertainment will entertain us after dinner. ***Thursday Lunch at the Lodge** returns, and the lunch committee will offer a tasty monthly lunch menu from January through May. We look forward to seeing our "Lunch Bunch" and invite new residents to join us.

Winter/February and Fall/November ***Neighborhood Socials** are so much fun. You can share your favorite or new appetizer with your neighbors and meet new neighbors. Do you have a favorite recipe to win one of the "Avenbury's Best Chili Categories?" A ***Chili Contest** was requested on the social survey. What better month to hold it to warm up than chilly March!

For those who missed the "Who Done It?" Murder Mystery Dinner a ***Murder Mystery Brunch** is planned for April. Our Avenbury actors will keep you guessing, "Who Done It?". Avenbury's annual May ***Derby Party** will be on Kentucky Derby Day. In addition to the big Derby Race, there are Avenbury horse races and a Derby Hat contest. Summer Mornings (June through August) ***Coffee by the Pool** is the perfect way to wake up and enjoy tasty pastries with your neighbors.

Grab your pom-poms, dust off that old letter jacket, don your school colors, and check out the Senior year class photos to see how well you have aged. Remember the good old school days and attend a June ***Class Reunion Party**. In July, taking over the kitchen and wearing their favorite Apron, ***Our Avenbury Guys** will plan and host a **Barbecue Night**.

August is the perfect time to show off your favorite school, college, and professional team colors and show your spirit for them at ***Saturday Night Team Kick-off Party**. Two September events were planned based on residents' suggestions and comments submitted on the Social Survey. A ***Fall Casserole Night**, and for those residents who requested an event to get you moving rather than sitting- You can ***Dance the Night Away!**

An October ***Saturday Avenbury Game Night** will be a surprise event for everyone, including me. The November ***Friendsgiving** Dinner is a new social event. The best thing about Turkey Day is that all the dishes complement the turkey. Residents will bring a "family favorite side" to share! It is always fun to end the year by putting on your jingle and wearing your favorite Christmas sweater for our December ***Holiday Party**, ending our 2025 Social Calendar.

The Social Committee looks forward to seeing you at our planned 2025 events!
