

COMMUNITY FUND DONATION FORM

If you are looking for a thoughtful way to thank, honor or remember someone, including the members of the Neighbor Helping Neighbor program, please consider a gift to the Avenbury Lakes Community Fund. We meet twice a year to discuss funding for projects such as landscaping, lodge equipment, exercise room equipment, etc., and other items not covered by the ALHOA budget. Your donation, while not tax deductible, will serve as a kind expression of gratitude and recognition and help to provide special enhancements to our community. We will also send an acknowledgment of your donation to the person being thanked or honored, or to the family of those being remembered. Checks should be made out to Avenbury Lakes Community Fund and sent to the office at 2122 Southampton Lane.
