A FRESH NEWLOOK

We have a little news to share about *The Breeze*! The software we've been using to create our newsletter, Microsoft Publisher, is retiring. Because of this, we'll be switching to a new program called Canva.

As we get familiar with Canva and discover what works best for our community, *The Breeze* may have a new look and feel. You may notice some changes in the layout, design, and overall appearance as we go through the transition.

While the look may change, what's inside will remain the same. We'll continue bringing you the community news, updates, events, and information you enjoy each month.

We're excited to try something new and give *The Breeze* a fresh look. We hope you enjoy the new design!

Happy Reading!
Carolyn & Lauren

The pool and spa may not be used when a Lifeguard is not on duty, and all pool perimeter gates will remain locked.

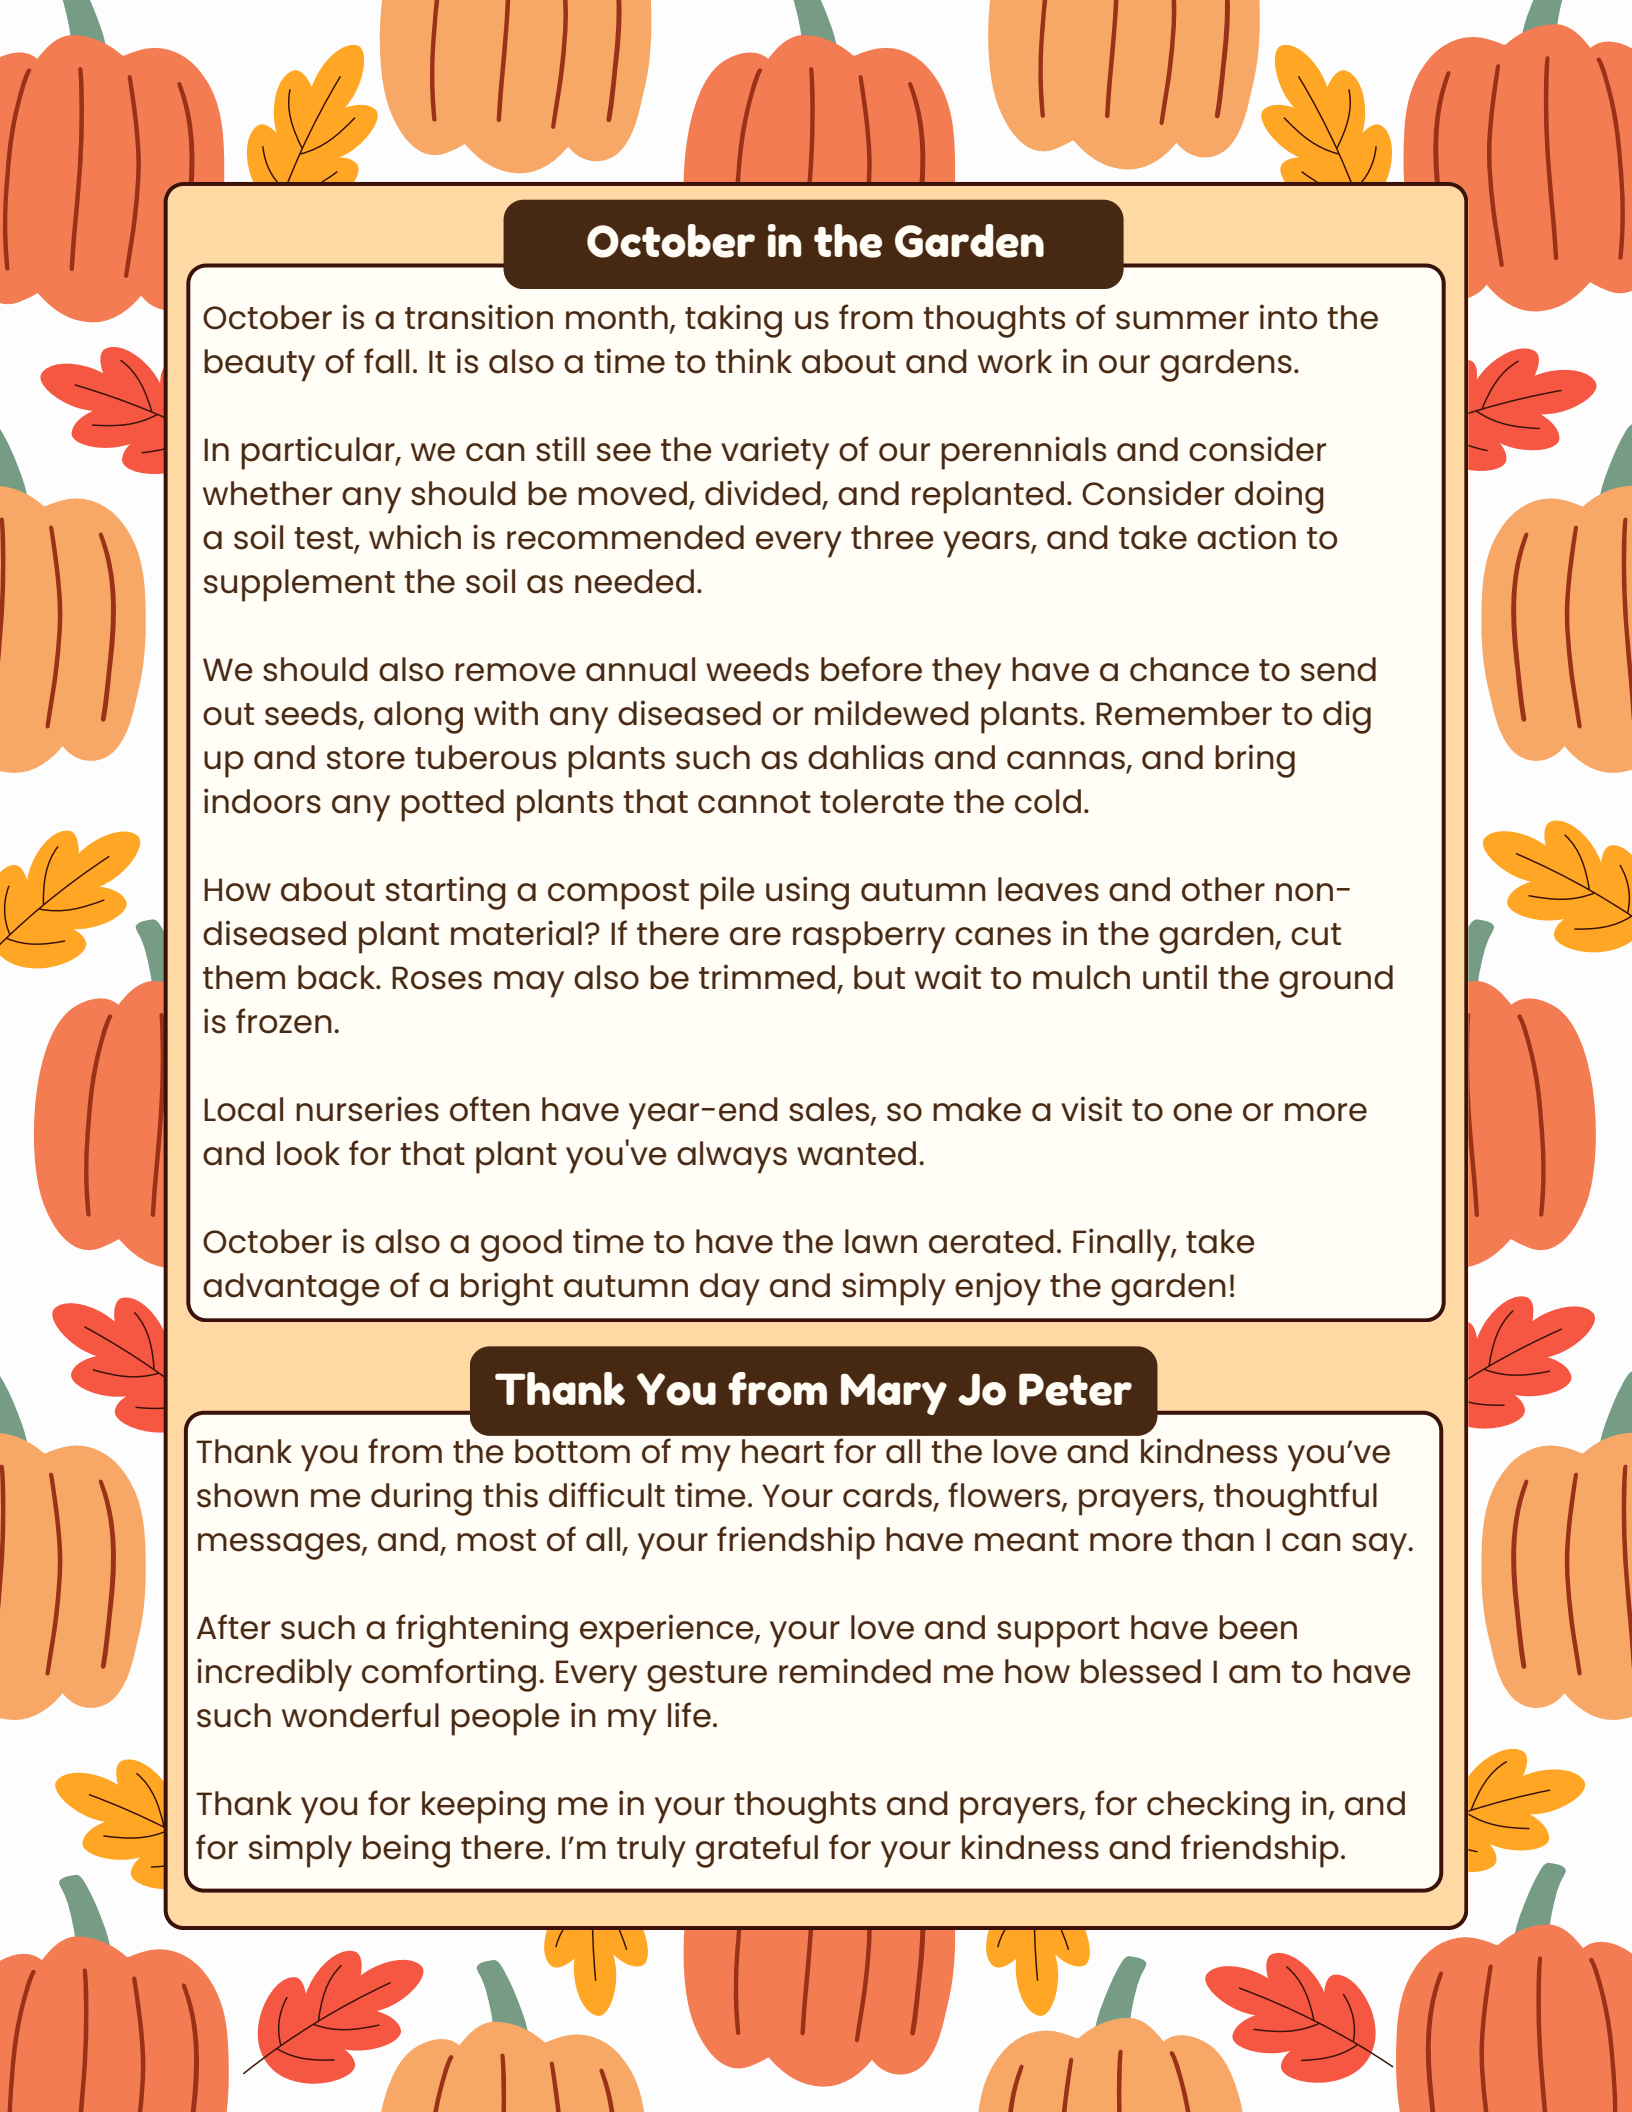

Please follow all outdoor pool and Avenbury Lakes Rules and Regulations, including:

- Do not walk or sit on the pool or spa covers.
- Close umbrellas when finished lounging.

Volunteers Needed

After the **Pool Deck closes on October 16**, we will need volunteers to help store the tables, chairs, and umbrellas for the winter.

We are planning to close and store the Pool Deck equipment on **Tuesday, October 20 at 10:00 a.m.** If you can help, please sign up in the Activity Book at the Lodge, or contact Bob Kennedy at kennedy12850@gmail.com or 630-747-6626.

The page is framed by a decorative border of orange and red pumpkins and autumn leaves. The central text is contained within a light orange rectangular box with a dark brown border. The title 'October in the Garden' is centered at the top of this box in a dark brown rounded rectangle.

October in the Garden

October is a transition month, taking us from thoughts of summer into the beauty of fall. It is also a time to think about and work in our gardens.

In particular, we can still see the variety of our perennials and consider whether any should be moved, divided, and replanted. Consider doing a soil test, which is recommended every three years, and take action to supplement the soil as needed.

We should also remove annual weeds before they have a chance to send out seeds, along with any diseased or mildewed plants. Remember to dig up and store tuberous plants such as dahlias and cannas, and bring indoors any potted plants that cannot tolerate the cold.

How about starting a compost pile using autumn leaves and other non-diseased plant material? If there are raspberry canes in the garden, cut them back. Roses may also be trimmed, but wait to mulch until the ground is frozen.

Local nurseries often have year-end sales, so make a visit to one or more and look for that plant you've always wanted.

October is also a good time to have the lawn aerated. Finally, take advantage of a bright autumn day and simply enjoy the garden!

Thank You from Mary Jo Peter

Thank you from the bottom of my heart for all the love and kindness you've shown me during this difficult time. Your cards, flowers, prayers, thoughtful messages, and, most of all, your friendship have meant more than I can say.

After such a frightening experience, your love and support have been incredibly comforting. Every gesture reminded me how blessed I am to have such wonderful people in my life.

Thank you for keeping me in your thoughts and prayers, for checking in, and for simply being there. I'm truly grateful for your kindness and friendship.

The Season of Giving is Upon Us

It may seem counterintuitive, but one of the best ways to maintain wealth may be to give some of it away. The tax code is designed to encourage philanthropy that will support a wide range of worthy organizations. If planned correctly, charitable giving is a smart strategy to reduce your tax liability while also funding causes that are meaningful to you.

Our team of experts creates giving plans that benefit our clients as well as numerous charities. Together, we help you explore giving vehicles like donor-advised funds and qualified charitable distributions.

The best part is that you are in charge of the charitable giving. Support the organizations that align with your values. Give to charities whose work you admire. Put your money to good use.

Contact the office to discuss how you can make the world a better place while also protecting your assets.
