What are the prices and what does the price include?

These prices include the cost of the brick, the engraving, shipping and installation. Make checks payable to Avenbury Lakes Community Fund and deliver check and order form to the Information Center at 2122 Southampton Lane.

Do you have any stock symbols and what is the price?

We have a list of stock symbols that you can choose from; each symbol/picture is an additional \$5.00. Clip Art symbols can be viewed on the Community Fund Committee page on the website, or a hard copy booklet is available at the Avenbury Lakes Information Center.

Symbols in the Medals/National Category can only be placed on an 8 x 8 brick. When adding a symbol, the lines and spacing go down to:

4 x 8 bricks – 3 lines with 18 characters and spaces max.

8 x 8 bricks – 5 lines with 18 characters and spaces max.

Clip art can be placed on the top or bottom of the brick. Some smaller symbols can be placed on a line with limited text.

How long do the brick orders take to process?

The "standard" turnaround time is two to three weeks.

When can orders be placed?

You may place your orders at any time; but we will try to combine orders to avoid minimum order charges. Avenbury Lakes Community Fund will hold "Pick Your Brick" promotions twice a year, in March and August, so that we can combine orders. Promotions will be advertised in the Breeze and home flyers. We can still fill orders for a single brick at any time, if needed; however there may be a minimum order charge of \$15.

Do you guarantee your work?

Yes; we will return any brick if it is chipped, cracked, broken from shipping or if any error is made from the approved proof sheet to the actual engraving for up to seven days from delivery. The engraver guarantees the brick and engraving for life.
